- *Employee Assistance Program
- *Opportunities for career growth
- *Clinical supervision for traineeship and internship hours

Since 1980, PathPoint Behavioral Health has supported low-income individuals with mental health diagnoses and dual diagnoses in recovery and living the life they choose. We operate in community mental health, low-cost housing units with services, an outpatient counseling center, and residential treatment facilities. We follow the principles of kindness, respect, empathy and compassion in all that we do. **To apply, please visit the website below. For questions, please send us an email or give us a call.**
